DEFENDANT'S ASSENTED TO
MOTION TO CONTINUE SENTENCING

Now comes the defendant and moves this Honorable Court to continue the sentencing in the above matter from June 12, 2006 until August 7, 2006.

As grounds therefore, defendant states that he is currently a cooperating witness for the government with respect to the co-defendants involved in this criminal action. The sentencing in this matter has already been continued twice in order to allow the defendant to complete his cooperation for the government.

Thus, the defendant had an expectation that the June 12, 2006 sentencing date would similarly been continued for another six months while the co-defendant's matters proceeded toward trial. The defendant has now been made aware that this Court does not deem it appropriate for this matter to extended indefinitely for these other cases to be resolved. As a result, the defendant has never had the benefit of set sentencing date. With this in mind, the defendant is seeking a brief continuance to August 7, 2006 so that he can be suitably prepared with all relevant information on the his medical, financial and family situations at the sentencing of this matter.

Respectfully submitted,

CHARLES WALLACE
